

Meeting Date	Meeting Type (Advisory Council or Annual Meeting)	Resolution Title	Resolution
January/2016	Annual Meeting	RTAC Weights	THAT KAP lobby the Government of Manitoba to allow trucks hauling farm commodities loaded to RTAC weight limits to travel on A1 or B1 roads for short distances to connect with RTAC roads.
January/2016	Annual Meeting	Family Farm Land Transfer	THAT KAP lobby the Government of Manitoba and the Government of Canada to allow generational family farm land transfers at the actual cash value of the transaction.
January/2016	Annual Meeting	School Tax Rebate Cap	THAT KAP lobby the Government of Manitoba to have the school tax rebate cap lifted until such time as the tax is lifted altogether.
January/2016	Annual Meeting	2014 Flood Damage Compensation	THAT KAP lobby the Government of Manitoba to review and make improvements to their compensation programs for the damages caused to farmland in the Assiniboine Watershed area as a result of the 2014 flood.
January/2016	Annual Meeting	Winter Fertilizer Application Deadline	THAT KAP ask the Department of Conservation and Water Stewardship to look at spring fertilization of hay land, perennial forages and winter cereals on their own merits as opposed to using the restrictions applied to crop land.
January/2016	Annual Meeting	Old Hydro Services	THAT KAP lobby Manitoba Hydro for upgrades at a reasonable cost to customers in rural areas to meet the everyday needs of modern agriculture.
January/2016	Annual Meeting	Emergency Services Response Time	THAT KAP lobby the Government of Manitoba to ensure Emergency Medical Services has adequate resources to ensure staff respond to calls in rural areas in a more timely manner.
January/2016	Annual Meeting	Onsite Wastewater Management Systems Regulations	THAT KAP lobby the Government of Manitoba to amend the Onsite Wastewater Management Systems regulations to reverse the phase out of sewage ejectors in Manitoba.
January/2016	Annual Meeting	Silage Corn IPI	THAT KAP lobby MASC to add an Individual Productivity Index calculation to silage corn insurance contracts.
January/2016	Annual Meeting	Universal Producer Payment Security Program	THAT KAP work with the CFA to lobby the Government of Canada for a producer payment security program that covers all agricultural commodities for all producers.
January/2016	Annual Meeting	BSE Lawsuit	THAT KAP work with CFA to lobby the Government of Canada to resolve outstanding BSE crisis compensation by entering into settlement negotiations in good faith or allowing the 2005 lawsuit to proceed through the court system expeditiously.
January/2016	Annual Meeting	Net Zero Carbon Economy	THAT KAP research what moving to a net zero carbon economy could mean for Manitoba farmers and develop policy to protect farmers' economic sustainability.
January/2016	Annual Meeting	MAFRD Resources	THAT KAP ask the Government of Manitoba to support growth and development of personnel, research, and extension services within MAFRD; and be it further Resolved, THAT KAP encourage the Government of Manitoba to fill vacant positions within MAFRD.
January/2016	Annual Meeting	Forages Research	THAT KAP lobby the Government of Manitoba and the Government of Canada to support more research focused on using forages to combat rising salinity issues and for improving water use and soil holding capacity in Manitoba.
January/2016	Annual Meeting	Calibration for Protein Testers	THAT KAP lobby the Canadian Grain Commission to implement a system of standardization and calibration for protein testers.
January/2016	Annual Meeting	Rural Cell Phone/Internet Networks	THAT KAP investigate the possibilities of establishing alternate rural cell phone/internet networks that offer reasonable prices for rural Manitobans.
January/2016	Annual Meeting	Rural Cell Phone Service	THAT KAP lobby Manitoba cell phone carriers to improve rural cell phone service or reduce cell phone rates and sign reciprocal agreements with other carriers who can provide improved levels of service.

January/2016	Annual Meeting	Dow/Dupont Merger	THAT KAP work with other farm groups in Canada and the United States to lobby the Government of Canada and the Canadian Competition Bureau to stop the Dow/Dupont merger or have the Competition Bureau and American anti-trust regulators ensure competition in this market.
January/2016	Annual Meeting	Railway Crossing Maintenance	THAT KAP enter into discussions with CN and CP Rail and Transport Canada to resolve railway crossing maintenance issues.
April/2016	Advisory Council	Canadian Industry Statistics	THAT KAP work with the CFA to lobby the Government of Canada to move food manufacturing (subheading 311) from manufacturing (subheading 300) to agriculture, hunting, forestry, fishing (heading 11) in the Canadian Industry Statistics releases; and, be it further Resolved, THAT KAP work with the CFA to lobby the Government of Canada to separate food production and processing from forestry and logging in the Canadian Industry Statistics releases.
April/2016	Advisory Council	Census of Agriculture	THAT KAP work with the CFA to lobby the Government of Canada to change the time of the census of Agriculture from May to a time between November and February.
April/2016	Advisory Council	Lake Manitoba Outlet	THAT KAP urge the Government of Manitoba to expedite the construction of the north end outlet on Lake Manitoba to Lake Winnipeg, as it is critical and essential for flood fighting.
April/2016	Advisory Council	Education Funding	THAT KAP lobby the Government of Manitoba for the cost of education to be funded from general revenues and not from property tax
April/2016	Advisory Council	Honey Labelling Requirements	THAT KAP support the Manitoba Beekeepers' Association and the Canadian Honey Council in their efforts to lobby the Government of Canada to amend the labelling requirements of the Honey Regulations to provide clear and accurate information.
April/2016	Advisory Council	Cash Advance Program 2	THAT KAP lobby for interest free portion of cash advance to increase to two hundred thousand dollars.
July/2016	Advisory Council	Two-Price System in North Dakota	THAT KAP investigate why grain buyers in North Dakota are discounting Canadian grain; and, be it further Resolved, THAT KAP determine whether this violates NAFTA.
July/2016	Advisory Council	Technological Advances & Land Classification	THAT KAP lobby the Government of Manitoba and Manitoba Agricultural Services Corporation to change the land classification if significant improvements are made.
July/2016	Advisory Council	Weed Management	THAT KAP lobby the Government of Manitoba and rural municipalities to mow road allowances and ditches on a timelier basis to ensure plants do not go to seed.
July/2016	Advisory Council	Average Tool Used by MASC	THAT KAP lobby the Manitoba Agricultural Services Corporation to revert to a farm's previous individual productivity index for a particular crop when calculating insured coverage.
July/2016	Advisory Council	Data Collection	THAT KAP lobby the Government of Canada to give farmers the right to manage the business data collected by companies who are using cloud based and any other data-collection technologies.
July/2016	Advisory Council	Statistics Canada Agricultural Reporting System	THAT KAP lobby the Government of Canada to require Statistics Canada to implement a timelier, updated and improved online crop data collection and reporting system.
July/2016	Advisory Council	Upgrades to Manitoba Provincial Highway #283	THAT KAP support the Gateway Keewatin Corridor Inc. in its work with the Government of Manitoba to develop a progressive construction plan for and commence upgrades to Hwy 283 to bring it up to dust-free RTAC standards.
July/2016	Advisory Council	Growing Forward 3 Funding	THAT KAP and the Canadian Federation of Agriculture lobby the federal, provincial, and territorial ministries of agriculture to increase funding for GF3 in order to keep up with inflation and cover the costs of the expanding range of GF3 programs.
July/2016	Advisory Council	Encouraging Agri-Processing Industry	THAT KAP support the Brandon Chamber of Commerce in encouraging industry to construct a Soybean processing plant in the region.
July/2016	Advisory Council	KAP Support for Camp Wannakumbac	THAT KAP restore funding to Camp Wannakumbac to previous levels, in light of KAP's return to sustainable funding levels.
July/2016	Advisory Council	Funding for Farmers with Disabilities	THAT the KAP contribution to Farmers with Disabilities be increased from \$500 to \$2500 per year, in order to reflect the importance of this organization to Manitoba farmers.

November/2016	Advisory Council	Support for STARS Air Ambulance	THAT KAP demonstrate its support for STARS air ambulance and their valued operations through complementary advertising space within Farmers' Voice and other applicable advertising opportunities within KAP's communications.
November/2016	Advisory Council	Large-scale Mergers	THAT KAP lobby the Competition Bureau, and all levels of government, to fully examine the short and long term effects of large-scale mergers on farmers' operations; and be it further Resolved, THAT KAP lobby relevant officials and work with other stakeholders to create and maintain an environment of healthy competition up and down the entire agricultural value chain.
November/2016	Advisory Council	Fertilizer & Manure Application Deadline	THAT KAP lobby the Government of Manitoba to reduce red tape and regulation overlap by allowing farmers and retailers to apply fertilizer until the ground is frozen in order to facilitate completion of fall work if the fields dry up.
November/2016	Advisory Council	Farmland School Tax Rebate	THAT KAP lobby the Government of Manitoba to assess each farming operation separately, regardless of the relationships of the owners, when applying the school tax rebate; and be it further Resolved, THAT KAP continue to lobby the Government of Manitoba to remove the \$5000 limit on the Farmland School Tax Rebate.
November/2016	Advisory Council	Education Funding	THAT KAP lobby the Government of Manitoba to move to a model of education funding that removes school taxes from farmland and farm buildings, and which instead relies upon personal and corporate income taxes as well as school taxes applied to residential property.
November/2016	Advisory Council	Carbon Pricing System	THAT KAP lobby the Government of Manitoba to exempt all direct emissions from agricultural production from a made-in-Manitoba carbon pricing system; and be it further Resolved, THAT KAP lobby the Government of Manitoba to recycle a portion of the revenue collected from the made-in-Manitoba carbon pricing system to programming that supports farmers in their efforts to deliver a broad range of ecological goods and services including CO2e reduction and carbon sequestration; and be it further Resolved, THAT KAP lobby the Government of Manitoba to recycle a significant portion of the tax collected to fund research that will move Manitoba farms to zero or negative carbon emissions; and be it further Resolved, THAT KAP lobby the Government of Manitoba to recycle a portion of the revenue collected from the made-in-Manitoba carbon pricing system into programming that helps the agriculture sector build adaptive capacity to weather volatility caused by climate change.
