  - Secure mobile app.
  - Virtual service 24/7 - 365 days of the year
  - Connect to a medical practitioner that is licensed in Manitoba.
  - Prescription sent to pharmacy of choice or delivered

## Telehealth and Second Medical Opinion – cont'd

---

### MyCare Health Benefit Option (HBO):

- Provides both Initial Diagnosis and Second Medical Opinion
- Initial Diagnosis Assistance
  - provided if you do not receive a diagnosis from your doctor within 60 days
  - medical assistance through one of the Centres of Excellence in the U.S.
    - eg. Cleveland Clinic, John Hopkins or Henry Ford
  - Includes additional diagnostic scans (eg. CT's, MRI's or PET scans).
  - Medical collaboration between the U.S. specialist and your doctor

## Telehealth and Second Medical Opinion – cont'd

---

### **Second Medical Opinion**

- Can be requested after diagnosis is provided by your doctor
- Includes in-depth review of your current medical file
- Includes additional diagnostic scans (eg. CT's, MRI's or PET scans).
- Medical collaboration between the U.S. specialist and your doctor
- Receive a full medical report with recommended treatment plan from your reviewing U.S. physician

*(Note: MyCare HBO is subject to a pre-existing condition clause so it is important to enroll early and before developing a serious health condition).*

## Telehealth and Second Medical Opinion – cont'd
