

## Welcome to your Discount Marketplace!

The below resource will provide you with information on how to access your Discount Marketplace and create your personal account so you can take advantage of all it has to offer.

### Account Setup

To access your exclusive discounts, rewards, and product offerings, you will need to create an account within your Discount Marketplace. You should have either received an email from your KAP Member Benefits team that includes a link to the Marketplace home page, or you have navigated to the site by using the address provided through member communications. The website address will be <https://kap.benefithub.com>. When you land on the initial page, you will be prompted to create an account (this only needs to be done the first time):
