

Meeting Date	Meeting Type (Advisory Council, General Council, Annual Meeting)	Resolution Title	Resolution
February-2019	Annual Meeting	Maintenance of Service Roads	THAT KAP lobby the Government of Manitoba to upgrade and maintain service roads where access roads have been closed due to Manitoba Government policy.
February-2019	Annual Meeting	Class 1 Licence for Farm Use	THAT KAP lobby the Government of Manitoba to create and implement a Class 1 Farm licence to harmonize with the Saskatchewan government.
February-2019	Annual Meeting	Dual Rail Lines	THAT KAP, with assistance from CFA, lobby the national railways to continue their efforts to provide dual rail lines.
February-2019	Annual Meeting	Supporting Rail Transportation	THAT KAP continue to work with CFA and the Government of Canada to make rail transportation a priority, ensuring financial assistance from the federal government is available to ensure our commodities can get to market.
February-2019	Annual Meeting	Developing Information Resources for the Movement of Farm Machinery and Equipment	THAT KAP work with the various provincial government departments to develop a document and/or website that explains in simple language the new and existing regulations that apply to the movement of farm equipment, machinery and commodities.
February-2019	Annual Meeting	Living Labs	THAT KAP lobby AAFC to have a role in the strategic direction of the Living Labs project to ensure farmers have the option and ability to practice Best Management Practices (BMPs) which directly address the needs outlined in the Paris Climate accord and UNIPCC-SR15.
February-2019	Annual Meeting	Drainage, Retention and Irrigation	THAT KAP lobby the Government of Manitoba to remove compensation requirements for Class 3-5 wetlands in projects where the water is entirely maintained and stored within the project, to then later be used as an irrigation source.

February-2019	Annual Meeting	Class 3 Wetlands	THAT KAP lobby the Government of Manitoba to reduce (or remove) the offsetting costs of Class 3 wetlands.
February-2019	Annual Meeting	Seed Research and Development	THAT KAP lobby Agriculture Canada to continue to research, develop and finish wheat varieties that set the standards in the milling industry.
February-2019	Annual Meeting	Grain Dryer Certification	THAT KAP continue to lobby the Office of the Fire Commissioner, Manitoba Infrastructure and Manitoba Agriculture in providing clarity to the interpretation and application of the Canadian Standards Association regulations as to ensure producers have access to both new and used grain dryers and to increase the number and speed of grain dryer certifications in Manitoba.
February-2019	Annual Meeting	Expanding Natural Gas Capacity	THAT KAP develop a plan with key industry stakeholders with the goal to expand natural gas capacity in rural Manitoba to provide economic and competitive benefits to producers, the agricultural sector and Manitoba as a whole.
February-2019	Annual Meeting	Wild Boar Population in Manitoba	THAT KAP meet with the Association of Manitoba Municipalities with a request that the municipalities not approve any wild boar conditional use applications; and be it further THAT KAP lobby the Government of Manitoba to direct resources to identifying and eradicating wild boar populations within Manitoba.
February-2019	Annual Meeting	Veterinary Training for Manitoba Residents	THAT KAP meet with the provincial Minister of Education to encourage the Government of Manitoba to maintain its level of support funding for Manitoba students at the Western College of Veterinary Medicine (WCVM); and be it further THAT KAP discuss with the Dean of the WCVM additional supports which would encourage graduates to return to Manitoba and establish or join large animal practices.

February-2019	Annual Meeting	Cereal Genetic Funding	THAT KAP lobby the Government of Canada to do further research on a point of delivery check off system, in place of trailing or end point royalties.
February-2019	Annual Meeting	Cash Advance Program for Innovative Farming	THAT KAP lobby the commodity group associations to work with the Government of Canada to allow innovative farms and value-added enterprises to access the interest free cash advance program in Manitoba with an enhanced crop list similar to other provinces.
February-2019	Annual Meeting	Support for Innovative Farming	THAT KAP lobby the Government of Canada and the Government of Manitoba to provide more resources to help innovative farms and value-added enterprises to get established in Manitoba.
February-2019	Annual Meeting	Road Test for Class 1 Licence	THAT KAP lobby the Government of Manitoba and Manitoba Public Insurance Corporation to address the deficiency of instructors who give the road tests for Class 1 driver's licences.
April-2019	Advisory Council	Permission for Hunting	THAT KAP lobby for a mandatory annual written permission form for hunting on private land be included in the Hunter's Guide.
April-2019	Advisory Council	Canadian Border Import and Security	THAT KAP lobby the proper authorities to step up the actions and increase the penalties to deter African Swine Fever and other serious infectious diseases from entering Canada.
April-2019	Advisory Council	Daylight Savings	THAT KAP oppose bill 205 Official Time Amendment Act (daylight savings time abolished), and lobby the Government of Manitoba to maintain the current daylight savings time act.

April-2019	Advisory Council	Review of Canada Grains Act	<p>THAT KAP participate in the review of the Canada Grains Act to ensure the stability and reputation of Canadian producers; and be it further</p> <p>THAT KAP lobby the government of Canada to ensure the Canadian Grains Commission (CGC) continues to provide the vital roles of adding value and protection to Canadian farmers.</p>
April-2019	Advisory Council	Carbon Tax on Cardlock Fuel	THAT KAP work with the Government of Manitoba and Government of Canada to exempt all farm fuel, including natural gas and propane, from the carbon tax.
April-2019	Advisory Council	Increased Cost of Prescription Drugs for Animal Use	THAT KAP lobby the Health Canada, Canadian Veterinary Association and the Manitoba Medical Veterinary Association to review and continue monitoring the VCR as it relates to the legislation on antimicrobial use in farmed animals.
April-2019	Advisory Council	Identity Preserved Canola	THAT KAP lobby MASC to add Identity Preserved Canola to the list of crop choices for risk management crop insurance.
April-2019	Advisory Council	Landowners' Rights & Trespassing	THAT KAP lobby the Government of Manitoba and Manitoba's Minister of Justice to introduce legislation that would make trespassing on farmland a chargeable offence.
July-2019	Advisory Council	Email for Secure Federal Communication	THAT KAP lobby the Government of Canada to accept email as a secure form of communication for sending sensitive documents.

July-2019	Advisory Council	Sunset Clause for Resolutions	<p>THAT KAP introduce a 5 year 'sunset' clause on all ACTION resolutions; and be it further</p> <p>THAT KAP identify 'sunset' resolutions at the annual meetings for information.</p>
July-2019	Advisory Council	Resolutions Sent to Committee	THAT KAP policy committees report back to Advisory Council on resolutions referred to committee at the earliest opportunity with a report or recommendation to the group for going forward.
October-2019	Advisory Council	Law Enforcement surrounding Animal Activists	THAT KAP lobby the Government of Manitoba to enhance and fully enforce laws around intimidation, trespass, break & enter, and mischief towards farmers and lay charges to the fullest extent against those that break the law.
October-2019	Advisory Council	Farmland School Tax Rebate Applications	THAT KAP lobby MASC to have the farmland school tax rebate applications available on the date that property taxes are due.
October-2019	Advisory Council	Filling the Vacant Extension Veterinarian Position	THAT KAP lobby on behalf of all livestock commodity groups and their producers that the Department of Agriculture and Resource Development fill the vacant Provincial Extension Veterinarian position as quickly as possible.
October-2019	Advisory Council	Red River Floodway	THAT KAP lobby the Government of Manitoba to have the inlet structure to the Red River floodway redesigned to facilitate water flow into the floodway without raising the Red River level south of the floodway gates.
October-2019	Advisory Council	Endangered Species	THAT KAP lobby the Department of Conservation and Climate to adequately compensate operations affected by the presence of endangered species.

October-2019	Advisory Council	Hydro Improvements on Farm Property	THAT KAP lobby the Government of Manitoba and Manitoba Hydro to assist farmers by providing financing for improvements to hydro infrastructure on farms.
